Vermont Trail Trotters is a fledgling organization intent on preserving the riding rights of Vermonters on public lands. We would like to encourage anyone with similar interests to join our organization. Throughout Vermont access to public lands is dwindling for horses and riders. Organizations like ours are needed to show a united front and create enough support to reverse this process.

For a \$10 yearly membership fee you will be able to participate in club events, get the latest and most up-to-date information on trail access areas and conditons, provide valuable input and add your voice to an organization that shares your goals. Please fill out the application provided if you are interested in joining the Vermont Trail Trotters. You do not need to be a Vermont state resident to join nor do you even have to be a rider. All horse lovers are welcome. Thank you.
